

# Sponsorship Opportunities

## After Dark & Celebrating Aviation Series

[AirForceMuseumFoundation.org/events](https://AirForceMuseumFoundation.org/events)

# About Us

The Air Force Museum Foundation was founded in 1960 to raise funds and awareness to support the National Museum of the U.S. Air Force™ mission. As an independent 501(c)(3) nonprofit, the Foundation works to secure financial support for expansions, special exhibits, restorations, enhancements, educational programs, acquisitions, and much more at the Museum.

As a result, the Museum can continue to innovate in the many ways it works to educate, entertain, and inspire visitors of all ages.

The National Museum of the U.S. Air Force is the oldest and largest military aviation museum in the world, and a top destination of visitors to Dayton and the surrounding Miami Valley.

## Foundation Events

Over 800,000 people visit the Museum annually. Each year, the Foundation hosts popular events at the Museum, so the community can engage with exhibits and artifacts in a fresh and unique way.

The Foundation is currently inviting sponsors to support the following events:

- After Dark: Bombers and Brews
  - November 8, 2025
- 2026 Celebrating Aviation Series
  - With an opportunity to include Celebrating Aviation event on September 11, 2025

## Tax Deductibility and Fair Market Values

Tax deductibility and fair market value are determined according to guidance from the Internal Revenue Service. You may deduct that portion of your contribution to the Air Force Museum Foundation which exceeds the fair market value of any goods or services you received in exchange for sponsorship. For professional advice, please consult your tax advisor.
